 Notes p.24  |  TAB p.56 - Prelude in A Minor by Francesco Molino
About This Book

About - 15 Authentic Pieces from the Renaissance to Romantic era. All works are from guitar and lute sources. There is such a wealth of guitar and lute repertoire, some played often and some obscure, just waiting to be played. I hope this collection of quality repertoire at a level suitable to students and/or gigging musicians brings both enjoyment and creative discovery.

Video Lessons for Each Piece - Video lessons help you successfully approach the material and offer insights into study. Look for the list of lessons at the sales page at This is Classical Guitar or Werner Guitar Editions.

Right Hand Fingering - A limited amount of right hand fingering has been added to specific situations. Be sure to always alternate fingers, especially i-m. Use the a finger to aid in i-m alternation, or after chords. I discuss more right hand fingering in the video lessons.

LEGEND

Right Hand Fingering
p = thumb / i = index / m = middle / a = annular (ring finger)

Left Hand Fingering
1 = index / 2 = middle / 3 = annular (ring) / 4 = pinky

The Barre
BII2 = Barre the 2nd fret, two of the strings
BX5 = Barre the 10th fret, five of the strings

Position Numbers
I - play in first position (1st finger at the first fret)
V - play in fifth position (1st finger at the fifth fret)

Dynamics
f - Forte (Loud)
p - Piano (Soft)
mf - Mezzo Forte (Medium Loud)
< - Crescendo (Getting Louder)
> - Decrescendo (Getting Softer)

Signs
Fine = Finish, end of the piece
D.C. al Fine = Return to the beginning of the piece and play to the fine.
